In addition to this application, please submit the following materials to your internship advisor:

- Current Resume
- Statement of Purpose where you answer the following questions:
 1. In one to two paragraphs, explain your interest in this internship, how your particular skills are applicable to this position, and how this internship will help you to meet your career goals.
 2. In one paragraph, identify and describe the company/organization for which you plan to intern. Include the location and contact information.
 3. What specific responsibilities and tasks will be required of you? (You may attach a description of the position provided by the company, if applicable.)
- Sample of student's work that demonstrates the ability to be successful at this internship (e.g. class paper, article, video, etc.)

Notes: Receiving course credit for internships is competitive and not guaranteed—it is contingent upon your GPA, previous coursework, how well you articulate the purpose of/desire for an internship, and how relevant the internship is to the CMT curriculum. You cannot already be a paid employee at the site you plan to intern. Your internship site
